Confidential

Dear Sir,

In connection with the nominations to the Muncipal Council of Kolar To n to be reconstituted from the 1st July '44 I desire to make the following recommendations for the consideration and orders of Government

(1) Rev Edwin Gershom son of Rev G Gershom and Superintendant of the M E Mission at Kolar to represent the Christian community which is an important minority community in the town He was nominated to the council when it was last reconstituted

(2) Lokasevaniratha Mr V R Chikkachennanjappa Setty to re-present the Lingayet Community

(3) Mr B L Ramanadam to represent the Vyshya community which has secured only one seat in the Council in the recent election Though Mr Ramanandam was defeated in the elections I would recommend his case as he is a very respectable person who was a councillor for a number of years and who has done good work as Vice President for a number of years

As Bramhins and Mahommedans are very well represented in the elections I have not made any recommendations in their cases As regards the nomination of a depressed class member I find that there are no suitable candidates for selection One Mr School Munusvamy, Adikarnataka by caste used to be nominated previously But I understand that he lost his seat in the council due to his continued absence The only depressed class cardidate who has applied for nomination is Mr K Munivenkatappa,Voddar He had stood for election but was defeated His application is however enclosed for perusal.

Yours Sincerely
Jeyr. Smith

Sir

I the undersigned beg to bring the following for lines to your kind Consideration and favourable recommendation

I belong to the Vaddar Community which is a mean Community in the Schedules backward class As President of the Yegna-mahankali Ganga Vangala Vaddara Sangha (which Sangha had been recognised by the Govt and had been given the privelage of Electing a representative to the Representative Assembly) I was a member of the Representative Assembly For over 20 years past I have been Serving my Community and as well the Cause of the general public as member of the Municipal Council assembly Etc

When Congress began to contest the Elections the backward Communities found it Exteemly hard to fight that institution and get into these bodies As loyal subjects of Their Highnesses the Maharaja We Could not Change over to that institution however good and powerful it might have been, because we began to lose on the Elections We are still loyal to the Throne and on their words of honour assured you to remain

So In the recent Elections to the Kolar Town Municipal Council held on 29 5 46 I was one of the Candidates on Independent Ticket

13

In the Confederation from the Congress and Muslim leagues I could not secure any seat though I secured 201 votes. Thus I am unable to protect and safeguard the interests of my Community which has still been very backward.

In view of the aforesaid facts I request you to be good enough to recommend my name to the Govt of His Highness for being nominated to the Kola Town municipal Council to be reconstituted from 1st July 1944.

I Ever remain grateful to you

Sir,

The newly constituted Municipal Council will have to function from the 1st of July 1944 The elections are over and there remains only seats to be filled up by nomination The nominated seats are filled up by Government on the recommendation of the Deputy Commissioner

In the elections that have been now announced only one Vysya has been returned and he is from the Congress party In our experience, the members of the Congress Party do not co-operate with the Government and any day the Vysya member elected on the Congress ticket may resign

Local interest and conditions do require another Vysya member who would co-operate with the Government and as such I earnestly pray that you will kindly recommend my name for a nominated seat of the Municipal Council

I am the Secretary of Sri Venkateswara Society and I have been doing my best by co-operating with Government in discharging my duty as a distributor of food-stuffs to my ration card holders without giving room for any sort of complaint

I am a merchant by profession and I am paying a mohatarfa tax of Rs. 40/- per annum Our houses are more than 500 in the Town of Kolar

The main source of income to the Municipal Council is by way of taxes etc payable by the traders, chiefly our community

Hence I humbly pray once again to recommend my name to Government for a nominated seat of the Municipal Council of Kolar
